

Governor's Safety and Health Conference and Exposition

Sponsorship 2022

May 9-12, 2022

Sloan Convention Center
Bowling Green, Kentucky

The Kentucky Safety and Health Network, Inc. (KSHN) is a private, 501(c)3 nonprofit corporation that co-hosts the Governor's Safety and Health Conference and Exposition with the Kentucky Labor Cabinet. The mission of KSHN is to increase awareness of workplace safety and health through education and training.

Your sponsorship helps fund this effort as well as the Scholastic Achievement for Education (SAFE) Award scholarships. Although the Governor's Safety and Healthy Conferences and Expositions were cancelled the past two (2) years due to the pandemic, thirteen (13) students were presented SAFE Awards totaling nearly \$26,000! KSHN will present SAFE Awards at the 2022 conference.

Your sponsorship also helps support the OSHA 10-Hour Training for Career and Technical Education (OSHA 10-4 CTE). OSHA 10-4 CTE, an initiative that began in 2017 and is a partnership between KSHN, the Kentucky Department of Education's Office of Career and Technical Education, and Eastern Kentucky University to provide Authorized OSHA Outreach Trainer status to secondary school educators throughout Kentucky. The educators in turn provide authorized OSHA 10-Hour General Industry and/or OSHA 10-Hour Construction training to high school seniors in manufacturing and construction pathways at secondary schools across the state. The students graduate high school with an OSHA 10-Hour or 30-Hour card as well as invaluable occupational safety and health training! Since 2017, thirty-five (35) secondary teachers received General Industry Outreach authorization and forty-three (43) teachers received Construction Industry Outreach authorization. And to date, 1,410 high school students completed General Industry 10-Hour or 30-Hour training; and 1,624 high school students completed Construction 10-Hour or 30-Hour training. That's 3,034 high school students trained, and it continues to grow! The initiative is a significant undertaking and has a substantial cost; however, its value is immeasurable. Your support is an opportunity to invest in tomorrow's workforce today!

We greatly appreciate your support.
