

Governor's Safety and Health Conference and Exposition

Sponsorship 2023

Governor's Safety and Health Conference and Exposition

May 17-19, 2023

Crowne Plaza Louisville Airport Expo Center

Louisville, Kentucky

The Kentucky Safety and Health Network, Inc. ("KSHN") is a private, 501(c)3 nonprofit corporation that co-hosts the Governor's Safety and Health Conference and Exposition with the Kentucky Education and Labor Cabinet. The mission of KSHN is to increase awareness of workplace safety and health through education and training.

Your sponsorship helps fund this effort as well as the Scholastic Achievement for Education (SAFE) Award scholarships. At the 2022 Conference and Exposition, KSHN awarded \$24,500 Scholastic Achievement for Education (SAFE) Awards to five (5) college students pursuing a degree in occupational safety and health, industrial hygiene, or a related field. With your support, SAFE Awards will be presented to deserving students at the 2023 Conference and Exposition.

Your sponsorship also helps support the OSHA 10-Hour Training for Career and Technical Education (OSHA 10-4 CTE) initiative. OSHA 10-4 CTE began in 2017 and is a partnership between KSHN, the Kentucky Department of Education's Office of Career and Technical Education, and Eastern Kentucky University's OSHA Training Institute Education Center to provide Authorized OSHA Outreach Trainer status to secondary school educators throughout Kentucky. The educators in turn provide authorized OSHA 10-Hour General Industry and/or OSHA 10-Hour Construction training to high school seniors in manufacturing and construction pathways at secondary schools across the state. The students graduate high school with an OSHA 10-Hour or 30-Hour card as well as invaluable occupational safety and health training! Since 2017, forty (40) secondary teachers received General Industry Outreach authorization and forty-eight (48) teachers received Construction Industry Outreach authorization. And to date, over 1,400 high school students completed General Industry 10-Hour or 30-Hour training; and over 1,600 high school students completed Construction 10-Hour or 30-Hour training. That's over 3,000 high school students trained, and it continues to grow! The initiative is a significant undertaking and has a substantial cost; however, its value is immeasurable. Your support is an opportunity to invest in tomorrow's workforce today!

We greatly appreciate your support.

PLATINUM LEVEL - \$10,000

- 8' x 10' space and package in the exhibit hall
- Recognition at conference and online at www.kshn.net. Please forward artwork in JPEG format to info@kentuckysafetyconference.org.
