

Kentucky Safety and Health Network, Inc.
P.O. Box 4087
Frankfort, KY 40602-4087

Dear Friend:

We are pleased to announce the 2024 Kentucky Governor's Safety and Health Conference and Exposition, "United for Safety and Health", is August 21–23 at the Owensboro Convention Center. Each year the Kentucky Safety and Health Network (KSHN) co-hosts this Conference and Exposition with the Kentucky Education and Labor Cabinet, and we invite you to partner with us to ensure the safety and health of all those who work in the Commonwealth of Kentucky.

The KSHN mission is to increase awareness of safety and health in the workplace. We draw on the experience and knowledge of our members who represent business, education, government, and labor to ensure we provide our participants with the most up-to-date topics in safety and health. Sponsor support is critical to continue our mission to increase awareness of workplace safety and health through education and training. The Conference and Exposition offers attendees many opportunities for education and training through workshops, general sessions, keynote speakers, networking, and an exhibit hall that showcases the latest products and services in safety and health. Please save the date and plan to attend the 2024 Governor's Safety and Health Conference and Exposition. Additionally, we ask for your continued support of this safety and health event.

The proceeds of the Conference and Exposition are used to present the Scholastic Achievement for Education (SAFE) Awards. In 2023, KSHN awarded \$19,295 in SAFE Awards to five (5) college students pursuing a degree in occupational safety and health, industrial hygiene, or a related field. These students are at the top of their class and represent the future of occupational safety and health. With your support, we can continue to present SAFE Awards to deserving students at the 2024 Governor's Safety and Health Conference and Exposition.

Information about the 2024 Conference and Exposition and SAFE Awards are posted as they develop. You can like us on Facebook at "Kentucky Safety and Health Network, Inc."

You may contact me at meservea@gmail.com if you have questions or need additional information.

Sincerely,

Andy Meserve, President

Governor's Safety and Health Conference and Exposition

Sponsorship 2024

Governor's Safety and Health Conference and Exposition

August 21-23, 2024

Owensboro Convention Center

The Kentucky Safety and Health Network, Inc. ("KSHN") is a private, 501(c)3 nonprofit corporation that co-hosts the Governor's Safety and Health Conference and Exposition with the Kentucky Education and Labor Cabinet. The mission of KSHN is to increase awareness of workplace safety and health through education and training.

Your sponsorship helps fund this effort as well as the Scholastic Achievement for Education (SAFE) Award scholarships. At the 2023 Conference and Exposition, KSHN awarded \$19,295 Scholastic Achievement for Education (SAFE) Awards to five (5) college students pursuing a degree in occupational safety and health, industrial hygiene, or a related field. With your support, SAFE Awards will be presented to deserving students at the 2024 Conference and Exposition.

Your sponsorship also helps support the OSHA 10-Hour Training for Career and Technical Education (OSHA 10-4 CTE) initiative. OSHA 10-4 CTE began in 2017 and is a partnership between KSHN, the Kentucky Department of Education's Office of Career and Technical Education, and Eastern Kentucky University's OSHA Training Institute Education Center to provide Authorized OSHA Outreach Trainer status to secondary school educators throughout Kentucky. The educators in turn provide authorized OSHA 10-Hour General Industry and/or OSHA 10-Hour Construction training to high school seniors in manufacturing and construction pathways at secondary schools across the state. The students graduate high school with an OSHA 10-Hour or 30-Hour card as well as invaluable occupational safety and health training!

Since 2017, thirty-five (35) secondary teachers received General Industry Outreach authorization and forty-three (43) teachers received Construction Industry Outreach authorization. And to date, over 3,000 high school students have received training, and it continues to grow! The initiative is a significant undertaking and has a substantial cost; however, its value is immeasurable.

We greatly appreciate your support.

PLATINUM LEVEL - \$10,000

- 8' x 10' space and package in the exhibit hall
- Recognition at conference and conference worksite
 - Please forward artwork in JPEG format to info@kentuckysafetyconference.org.
